Dear Examiner Thanh:

Per your request, we have made the following amendments to the document:

1. ***Information Disclosure Statement***

We don't believe that we ever filed Information Disclosure Statement.

2. ***Specification***

The embedded hyperlink has been deleted.

3. ***Drawings***

The drawings have been amended to be in sync with the claims.

4. ***Claims***

The claim language has been amended to reflect and positively claim the device.

5. ***Claim Rejections due to Gauthier USPN 3,921,635***

We have amended our claim language so that the prior U.S. Patent 3,921,635 is different from ours. We have also added a paragraph of discussion on this patent into the section of "Vaginal Douching Device" in the document.

Thank you so much for your consideration.

Sincerely yours,
